## Kappa Delta Rho

### University of Toledo Homecoming 2018

Kappa Delta Rho has placed yet again, this time taking home third place for UT's Big Show! A huge shout-out to Brett Addington and our Homecoming chair, Jeff Fouke for putting in so much time and effort on the float. Our homecoming partner was Delta Phi Epsilon. Thank you to all alumni who came to support as well as those alumni who couldn't make it.

### Pi Alpha Completes \$28,700 House Renovation As It Begins Its 35th Anniversary At The University of Toledo

The house renovation began with the removal of the old carpeting and the installation of a new vinyl plank flooring. While the new flooring was being installed alumni and undergraduate brothers gathered to build eight tables for the house. When you see these brothers please thank them for their selfless service to our brotherhood: Jared Rediger, Jeff Fouke, Dan Shopshire, Ben Edwards, Jack Longenecker, Rick Longenecker, Nathan Cucculic, Cameron Downs, Zac Lonyo, and Remy Sanchez.

### PI ALPHA WELCOMES LARGEST CLASS IN PI ALPHA HISTORY!

Every semester the Pi Alpha chapter gets a group of gentlemen to carry on the legacy of Kappa Delta Rho and lead the charge for greatness. This fall semester KΔP inducted 24 men as pledges, and they became something bigger than themselves. We honor these men as they start a long and rewarding journey into become active members of the best fraternity on campus. Honor Super Omnia!

### KDR Chicken Bowls

Kappa Delta Rho's chicken bowl dinner is known by many and feared by the other Greek life organizations. Each year we raise more and more money for B Positive, and this year we donated to not only B Positive, but the Children's Miracle Network as well. As an organization we raised around \$1,900.00 and we could not be prouder of ourselves. In addition to raising the money for B Positive and Children's Miracle Network, we also set up a table for Threads of Hope. We raised just over \$400 to stop the trafficking of women in the Philippines!

### **Senior Spotlight: Austin McBee**

The worst part of the end of the semester is seeing brothers graduate and leave us! But fortunately, they move on to bigger and better things. This semester's Senior Spotlight honors Brother Austin McBee! Austin is known for being the Pontifex and the homecoming chairman during his years in the fraternity.

Austin is also a founder of Snowpile and was on the UT estimating team. We are also proud to announce that Austin has a job lined up as a field engineer for Kiewit building group in DC.

Congratulations McBee, we all wish you the best and can't wait to see you succeed!

### Relay for Life 2018

The Brothers of Pi Alpha gathered at Relay for Life to help support those effected by cancer. We camped out at the UT Recreation Center for 12 hours in which three of our gentlemen ran/walked a marathon around the track. As an event as a whole, \$71,774.93 towards the research of cancer. We also won the award for the biggest spirit. This right here is the definition of brotherhood. Even though we did this as a group, we can't help but thank Brothers Mark Weddington, Christian Richmond, and Stewart Marmion for taking charge.
