Welcoming Brothers Back to Campus

We welcomed all the brothers back to campus, and as the summer winds down the brothers spent the week welcoming each other back, sharing stories of summer, and catching up. Pi Alpha concluded the welcome week with the initiation of brothers Andy Krasniewski and Grant Insley. Congratulations gentlemen.

Lollapolooza

Brothers Mohammed El-Natsheh, Mason Adams, Sam Neuberger, and Grant Vivian went to Lollapolooza in Chicago for 5 days to see one of the best music weekends of the year. The event was highlighted by the Foo Fighters, Post Malone, Tyler the Creator and more. Brother Vivian said "we had an amazing time together listening to our favorite artists and finding new ones we never would have thought to listen to, it was an awesome experience to be immersed in the city life with my brothers."

Ice "Ice Boys" of Pi Alpha

This summer brothers Jeremy Howard Nick Lombardi, Jacob Lombardi, Jeremiah Snider, Zack Reun, and Hunter Ward worked at Home City. It was a good work experience as they delivered ice throughout northern Ohio and southeastern Michigan. The "Ice Boys" of Pi Alpha worked 50-70 hours every week slinging big bags of ice. Throughout the hot summer some of the brothers even were able to obtain their CDL's

Tearing Up Drummond Island

Brother Hunter Boyless headed up to the upper peninsula of Michigan to take on the trails of Drummond island with his ATV. He went up with his entire family, and he really enjoyed driving through the mud, and seeing the upper peninsula at its finest.

Pi Alpha Takes Over Gatlinburg, Tennessee

This summer several Pi Alpha brothers decided to head down south and explore the wonderful state of Tennessee. They rented a cabin in the mountains and visited the city of Gatlinburg. They went hiking in the mountains, toured the city, and even checked out a few of the museums. They even went on a mountain coaster which was lots of fun. It was a nice way to spend some time with some brothers, and get away from their summer jobs for a week.

House Improvement

The Pi Alpha Chapter over the summer also made a lot of additions to the on-campus house. This included painting the first floor and basement, putting pictures that represent our pillars on the first floor, getting new furniture for the living room, a KDR Pi Alpha crested rug, and even a fish tank! Pi Alpha also has new letters for outside the house on the way, as well as a new trophy case to display all of Pi Alpha's accomplishments.
